TOWN WARRANT

To the inhabitants of the Town of Bartlett, in the County of Carroll
in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Bartlett, on
Tuesday, the twelfth (12th) day of March, next at ten of the
clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray
town charges for the ensuing year and make appropriations of the
same.
3. To see if the voters will authorize the Selectmen and Town
Treasurer to borrow a sum or sums not exceeding in the aggregate
\$50,000.00 in anticipation of the collection of taxes for the current
municipal year, and to issue in the name of the town and on credit of
same, negotiable notes therefore, said notes to be repaid during the
current municipal year from taxes collected within current municipal
year.
4. To see if the town will vote to authorize the Selectmen to
distribute the blank inventories at the same time they examine and
appraise the property to be taxed.
5. To see if the town will vote to authorize the Selectmen to
administer or dispose of any real estate acquired by the town through
Tax Collector's deeds or by any other means.
6. To see if the town will vote to raise and appropriate the
sum of \$350.00 to aid in the industrial or recreational development of
the town.
7. To see if the town will appropriate the sum of \$175.00 for
the purchase from the Bartlett Parent-Teachers' Association of 103
American Flags and associated banners so that they may be used by
the town on patriotic holidays for decorative purposes.

8. To see what action the town will take toward establishing a town road from the Richard Garland house to property of Joseph Aldridge.

9. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and fifty-seven.

Auditor

REPORT OF FOREST FIRE WARDEN

DANGER FROM FIRES IN WOODLANDS

Woodland litter, when dry, is highly inflammable and fires can quickly get out of control. We request your cooperation to control all fires so that lives and property may not be endangered or destroyed, and forests be kept green to furnish the natural beauty we all enjoy and to grow timber we will need.

WHAT IS "WOODLAND"?

The term "woodland" is defined by law to include, "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

When in the woods, you are expected to exercise caution in the use of fire and to remember that

IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on land of another without permission from the owner or his agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

VIOLATORS ARE SUBJECT TO THESE PENALTIES

Anyone letting a fire escape from control, whether or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200, or imprisoned 60 days.

DAMAGES

Every person who shall set a fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

BE SURE — GET A PERMIT

Incinerators should be tight, with a close mesh screen, and be on clean ground. Open fireplaces used to burn rubbish are classed as incinerators. Always clean a space about any open fire to prevent its spread. Never burn in dry, windy weather. Have incinerators inspected by the Forest Fire Warden and get his written permission.

Number permits issued 36; number of fires, none.

School Warrant

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Bartlett qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in Glen in said District on the 12th day of March 1957, at eight o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
6. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
7. To see if the district will vote to authorize the employment of a helping teacher for Supervisory Union No. 9 and to appropriate a sum of \$338.10 for the district's share of this service.
8. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.
9. To see if the district will vote to retain and appropriate a sum not to exceed \$1,000.00 for the purchase of a combination science table.
10. To transact any other business that may legally come before this meeting.

Given under our hands at said Bartlett this 8th day of February, 1957.

Report of Superintendent

To the School Board and Citizens of Bartlett:

At special meeting of the Bartlett School District held in November of 1956, the voters wholeheartedly accepted the report of the Special School Study Committee and authorized the expenditure of \$92,000.00 for an elementary classroom wing to be erected as an addition to the high school building. This project will include the remodelling of the high school auditorium and provide a single heating system for both buildings.

Costly as this program seems it is an expression of your willingness to provide the best of educational facilities for the children of Bartlett. It is an investment in the future of our youth and our democratic way of living.

You will notice an article in the Warrant regarding a Helping Teacher. A Helping Teacher will provide the school districts of this Union with essential supervisory and educational consultant services that will improve the quality of instruction. The state will pay \$2,500.00 as its share of the Helping Teacher's salary and the Helping Teacher will be governed by the same laws, rules, and regulations as apply to Superintendents. The criteria used by the Commissioner of Education in determining which Unions shall be qualified for the services of a Helping Teacher are: the number of teachers, number of pupils, number of schools, and population trends. This Supervisory Union has been designated by the Commissioner of Education as meeting these requirements.

The Helping Teacher as defined under Section 24, Chapter 186 of the New Hampshire State Laws: — a teacher with specific training and experience which will enable her, or him, to give helpful advice, counsel, and assistance to teachers, pupils and parents of a school system as a constructive means of improving the educational growth and development of children, solving pupil problems of retardation and maladjustment, adopting the program of studies to meet the needs of the children and the community, bringing resources outside of the school to classroom teachers, pupils, parents and community, and in general acting as consultant to the entire staff and community in recognition of the educational needs.

In the Superintendent's report of 1944 Mr. John Fuller stated, "The situation in regard to teachers is very critical. There are about two teachers for every three positions — it was touch and go last summer whether we could complete our staff for the current year." In 1945 the superintendent of schools wrote, "You are fortunate to have a full staff of teachers during these days when so many schools have been closed and grades combined because no teacher could be found for the position." Subsequent reports have shown the teaching situation to be as critical as ever.

The teacher shortage is still the biggest problem faced by local schools as well as schools throughout the country. It is estimated that

an additional 750,000 teachers will be needed in our public schools in the next three years. This would require the recruitment into the teaching profession of half of all the college graduates. This would be an impossibility in view of other demands for the services of these people and the higher pay which they can receive in industry and in the professions other than teaching. In an effort to secure and keep good teachers, Bartlett has raised the minimum starting salary to \$3,200.00 and advanced the maximum by \$200.00.

The curriculum of Bartlett High School has been expanded to include Commercial subjects. A room adjacent to the Cafeteria was remodelled and equipped for this program.

The State Department of Health inspected our school buildings and strongly urged that the lighting in Bartlett High School should be improved. In compliance with this request, the most modern fluorescent lighting fixtures were installed in all the classrooms.

Our schools are not fully meeting the new minimum time requirements as set forth by the State Board of Education. The length of the school day will have to be increased by approximately a half hour.

It has been a pleasure to work with the Special School Study Committee and the School Board in resolving the school housing problem.

DAVID APPLETON

REPORT OF SCHOOL NURSE FOR 1955-56

The school health program is designed to raise the health standards of all pupils; to know what is good for one's health; to establish sound health habits and attitudes; to dispel a child's fear of doctor and dentist examinations and treatments; to help parents to know where they can go for desired help outside of the community; how to avoid illness and accidents; and how to protect the health of others.

In the fall of 1955, 89 physical examinations were done. All pupils desiring the examination from the First, Fourth, and Seventh grades were examined at the Hospital. The students out for sports who were not examined at the hospital were done at the High School by Dr. Twaddle.

During the year 110 first or second shots were given of the Salk polio vaccine. Eighty-three Tuberculin Patch tests were given: five chest x-rays were taken; two hundred six vision tests were done and defects corrected: eight-seven hearing tests were done: sixteen pre-school pupils attended the pre-school summer round-up. Each child was weighed and measured: teeth and tonsils were checked and parents were advised as to the importance of the immunizations that are advisable.

I wish to express my sincere appreciation to all who have helped in the School Health Program.
